ON-CAMERA TALENT NEWS

Oak Brook Productions seeks a highly-motivated, on-camera TV personality for a new syndicated weekly entertainment and lifestyle program based in Chicago. The ideal candidate must bring a creative approach to story telling in Chicago. The on-camera personality, along with the show's producers, will work together to create content for the show. Content will include both editorial and advertorial with an emphasis on product integration. Weekly duties include on-camera field production, voice-work, writing, editing, blogging and working with clients.

The ideal candidate will be able to succeed in a fast-paced, deadline-oriented environment. Previous on-air television experience is required. Final Cut Pro editing knowledge is desired. Knowledge of Chicago is a must.
